## **Photograph (feat. Bea Miller)**

## **Boyce Avenue**

Loving can hurt, loving can hurt sometimes But it's the only thing that I know When it gets hard, you know it canget hard sometimes It's the only thing that makes us feel alive We keep this love in a photograph We made these memories forourselves Where our eyes are never closing Our hearts were never broken And times forever frozen still So you can keep me Inside the pocket of your ripped jeans Holding me close until our eyes meet You won't ever be alone, wait for meto come home Loving can heal, loving can mend your soul And it's the only thing that I know (know) I swear it will get easier, rememberthat with every peace of ya And it's the only thing to take with us when we die We keep this love in a photograph We made these memories for ourselves Where our eyes are never closing Our hearts were never broken And times forever frozen still So you can keep me Inside the pocket of your ripped jeans Holding me close until our eyes meetYou won't ever be alone And if you hurt me Well that's okay baby, only words bleed Inside these pages you just hold me And I won't ever let you go Wait for me to come home You can keep me Inside the necklace you bought when you were sixteen Next to your heartbeat where I should

be Keep it deep within your soul And if you hurt me Well that's okay baby, only words bleed Inside these pages you just hold me And I won't ever let you go When I'm away, I will remember how you kissed me Under the lamppost back on Sixth street Hearing you whisper through the phone Wait for me to come home Song Discussions is protected by U.S. Patent 9401941.
