

Too Playa (feat. 2 Chainz)

Migos

Yeah (DJ Durel)

The way we put this shit together, you know what I mean?
Huncho and Durel made the beat, you know what I mean?

I got this man on the saxophone

You know what I mean, he blowing them keys

You know we keep keys the right way, you dig?

The way we put this Culture shit together

It's like a new wave, generation way

Yeah, feel like 3K, Andre, with my way, Huncho, woo

She fuck with the gang (gang), she fuck with the team

She like to do percocets, then I put her on lean (yeah)

She got little perky breasts (perky), I put a little ice on the flex

She got a little turkey neck, neck, neck, neck, neck, yeah

Don't look at that skeleton too long, might drown (swim, swim)

My nigga got felonies, let him out right now (woo, ay)

I'm in Miami like a Zoe Pound (yeah yeah)

Call a Zoey dollar jet ski, water clowns

Wrist spending tabs, finna spaz, finna spaz

Niggas spending fast (spinning), 150 cash, 50 cash

Yeah, large (yeah), y'all nigga talk too hard (talk, talk)

We pull your card, pull up and chop down yards (chop)

Fish bowl same size, fish tank, yeah (yeah)

Big bank same size as his bank, yeah (yeah)

My bitch way better than his bitch, yeah (fo sho)

We too playa (yeah), we too, we too playa (playa)

Yeah, we too playa (woo), we too, we too playa (clean)

Yeah, we too playa (woo), yeah, we too playa (playa)

Woo, we too playa (woo), we too, we too playa

Ay, we too playa, yeah, we too playa

Said I got a big scale same size as his scale, yeah

All this watered down, might could sell it to a whale, yeah

Post on the shore like the seashell, yeah

We too playa, yeah, we too playa Yeah, 2 Chainz

Playaz Circle was my first squad, but you already knew that

Nigga claim he got a million dollars, but I already blew that

Donatella on the bootstrap, whole crew got a Tru tat

Whole crew got a Tru chain, lay it back, now I move same

100 thousand in a blue flame, cross a nigga like a spiritual

Before rap, I was in the trap, and my record was criminal

Baby girl got that water park, when she get up, she left a water mark

Black Patek Philippe, motherfuckers like Armor-All

Ok, now all in all, got it from wall to wall

Took it from mall to mall, dropped it from stall to stall
Shitting on niggas subliminally, all of my shoes are from Italy
Hard top crews, no Kennedy, she'll pay cash, no penalty
Marble all my floors, blue strip on my rolls

If the money fold, that mean the dope ain't sold
I like it straight, the men ain't gotta debate
Ice on stakes, pull up with a serious face
The way these hoes like to film a nigga, Lorenz Tate
I won't even let you film a nigga without seeing tape
Yeah, that's my brother, work, but I gotta play harder
Tryna be like the Carters, gotta be like the Carters
Said I got a big bank same size as his bank,
yeah

My bitch way better than his bitch, yeah
Post on the shore like the seashell, yeah
We too playa, yeah, we too playa
I am a player (player), and no, I ain't playing fair (no)
Swear they shaking like some dreads (shaking)
Oh, that mean we got 'em scared (scared)
Look up at your man's head (look)
Tell me what color that dot is (what?)
Dot on his head is red (red)
Get popped for some shit that your brother did
I love my mama, never change, your honor
So I gotta let his mama live (mama)
I beat the pot up like Adrien Broner
Make him vanish, David Copperfield (Copperfield)
Came in the game and was independent
They was screaming out that we ain't got a deal (fuck a deal)
Said I ain't playing, this the face I make
When I call my plug and he ain't got a sell
5, 4, 3, 2, 1, my name is Takeoff, I'm outta here (outta here)
Open the door when they got in there (got in there)
Quiet, I pick up the silencer, shoot it up to the analogist
Ballin', but they keep callin' us (ball)
And ain't no stoppin' us (no), try to see the apocalypse
Said I got a big scale same size as his
scale, yeah

We too playa, yeah, we too playa
New Moncler, throwin' salt on a playa (salt)
Save the salt for the snails (salt) or the rocks in my ear (rocks)
Put you in the Bentley (skrrt), brand new Selena (Selena)
She a bad bitch, I seen her (bad), I'm flooded, call FEMA
I do it the best (best), I am too playa to stress (playa)
Drip like the mayor, more or less
I like your bitch, I caress (I like her)
Dry down the stick nigga, hush (hush)
Codeine syrup a must (a must)
Wraith with the peppermint guts (Wraith)
He sweet, he keep holding nuts (sweet)
Your bitch is a throwaway mutt
