

Prettiest Girl

Tamar Braxton

See, I got the best man in the world
What more can you ask for, ladies
When he makes you feel like you're the prettiest? He wakes me up early in the morning
With a smile and breakfast in bed
It's like a fairytale beginning
A heart full of love, and there's no end
It's got me looking kinda crazy
It's too good to be true
Ain't no man that will make me ever feel like you do And I love it everyday, all day, 24/7 (hey)
I love it, I feel like Cupid done shot me from heaven
Undescribable
How it feels with you
I wanna say thank you for making me feel like I'm the prettiest girl in the world
No matter what I got on, he says I'm beautiful, it's a fact that keeps me so in love
And I wanna thank him, I feel like I'm the prettiest girl in the world
May disagree, but it really don't matter to me
Say what you want
Because to him I'm the prettiest girl in the world Rose petals on the floor
He done led me to a steaming shower
Now it's time to show me
Everything that he's planned for hours And I love it everyday, all day, 24/7 (hey)
I love it, it feels like Cupid done shot me from heaven
Undescribable
How it feels with you
(And it's so)
Undescribable
(Baby) How it feels with you (yeah)
And I wanna say thank you for making me feel like I'm the prettiest girl in the world
No matter what I got on, he says I'm beautiful, it's a fact that keeps me so in love
And I wanna thank him, I feel like I'm the prettiest girl in the world
May disagree, but it really don't matter to me
Say what you want
Because to him I'm the prettiest He says I'm the prettiest girl in the world
And ain't a chick got nothing on me
I know I'm the prettiest girl in the world
That's why they all be hating all on me When my hair looks a mess, yeah he gon' tell me that I'm
beautiful, I'm beautiful
Check it, when I run around here, I ain't got no make-up on, I'm beautiful
He says I'm beautiful He makes me feel like I'm the prettiest girl in the world
No matter what I got on, he says I'm beautiful, it's a fact that keeps me so in love
And I wanna thank him, it feels like I'm the prettiest girl in the world
You may disagree, but it really don't matter to me

Say what you want now
Cause to him I'm the prettiest girl in the worldPrettiest Prettiest The Prettiest girl in the world
Prettiest Prettiest the prettiest girl in the world
