

So Close

[Jon McLaughlin](#)

You're in my arms
And all the world is gone
The music playing on for only two
So close together
And when I'm with you
So close to feeling alive As life goes by
Romantic dreams will start
So I'll bid mine goodbye and never knew
So close was waiting, waiting here with you
And now
Forever I know
All that I wanted, to hold you so close
So close
To reaching that famous happy ending
Almost believing
This was not pretend
Now you're beside me
And look how far we've come
So far
We are
So close Oh how could I face the faceless day
If I should lose you now?
We're so close
To reaching that famous happy ending
Almost believing
This was not pretend
Let's go on dreaming
Though we know we are
So close
So close
And still so far
