

Down To Ride

Gary Clark Jr.

Mm, Well I heard you were trouble
And you heard I was trouble
But your name is a wave washing over me
No games just a slave to you totally
Cause I don't care what they say about you Virgo
And you don't care what they say about me Virgo
But you know what they say about trouble
Pull me down if you want to
And I hope that you want to
Cause I wanna be your man
And I wanna say it loud
You can show me where trouble goes
Tell me secrets only trouble knows
Cause you wanna be my girl
And you want to say it loud

...

I want you to know that I got your back
Even when the whole foundation seems cracked
Two punk kids up against the world
Yeah, trouble
There goes trouble
We could be
King and queen of the moonlight
Two young lovers and when the moods right
You here me say
I want you
So pull me down if you want to
And I hope that you want to
Cause I wanna be your man
And I wanna say it loud
And you can show me where trouble goes
And tell me secrets only trouble knows
Cause you wanna be my girl
And you want to say it loud

...

uhhhhhh

And you wanna say it loud

Ohhhhhh

...

So pull me down if you want to
And I hope that you want to
Cause I wanna be your man

And I wanna say it loud
You can show me where trouble goes
Tell me secrets only trouble knows
Cause you wanna be my girl
And you want to say it loud

...

Ohhhhh
And you want to say it loud
