

# Anything

## Scarface

Anything(Scarface)

For a dolla' bill people will do anything, they'd rob and steal for a dolla' bill, any will  
Let's go sit back and let the beat ride a lil' bit  
Let a m.f hear what is supposed to sound like ya' dig(1st)  
Yeah I'm from around the way, I slung about a oz a day  
I'm living proof you ain't got no excuse  
If it was there, it ain't got sh. to lose  
Dem' older cats would chunk a nigga fronts  
Would rock it up and smoke that ish in blunts  
For tennis shoes, we was getting' fools  
We caught you slippin', we would get at you  
With no respect, fu. a nigga set  
We shot it up and murk his connects  
What yours is mine for a dolla sign  
I blame the grind, I was out'a line  
I'm reminiscing on what niggas did  
For big rewards, you took a bigger risk  
They say what comes around and go around  
And when you least expect the ish be goin' down()  
Gotta' get it how I live, that's how the streets raised me  
And for that paper most niggas do, anything, anything  
A silent dude, so that's how a move I'm a street made nig  
Not tryin' to lose, so I gotta do anything, anything(2nd)  
They called it murder in the first degree  
And it was then that it occurred to me  
This was some inside ish!  
That was your friend got hit huh?  
They knew all about the stash spot  
Knew where the money was and cashed out  
You got the nerve to act like you 'ont know  
When all the while you steady getting mo'  
Just remember dude we watchin' you  
I spared your life they day they shot at you  
Cause if I didn't, they was coming back to finish off yo a., you a walkin' dead and it's a fact  
You slimey niggas play the game wrong  
Get popped, can't do they time so they sang songs  
I turned the game on  
Watch the Nicks play  
I sent them shocktas at you're a. cuz u a b... made nigga()  
Gotta get it how I live, that's how the streets raised me And for that paper most niggas do,  
anything, anything  
A silent dude, so that's how a move

I'm a street made nig  
Not tryin' to lose, so I gotta do anything, anything(3rd)  
Real nigga in your presence  
Money couldn't me past or the present  
Homey I'm the essence  
Tote a smith and w...  
Eyes hella tiny in the hood is where you find me  
Out here with the grimey b... wanna come up  
Niggaa slangin' Snow packs, nose running from 'em  
Let you get your mind right, homey on that weed though, baby on them molly whops blinded  
by the weed smoke  
We come from them streets ho, I stay on that ignorant' ish  
Aint nothing 'bout week ho, always game to stomp a bi..., and stomp a bi., and stomp a bi., got  
super boxin' game so I prefer to punch a bi... mission accomplished .  
Put me up against whatever I am bustin it  
A nucca's born hustlin' and tustlin and struggling and musclin' just makin you aware who you  
f... wit'
