

# Cold Harsh Air (feat. Total Science & Grimm)

## S.P.Y

Oh oh  
Oh oh  
Oh oh  
Oh oh  
Oh oh  
Oh oh  
Oh oh

Oh oh I'm leaving all these memories behind me  
I can't see cause the thought of you just blind me  
All the color red that just reminds me  
Leaving all these memories behind me  
Leaving all these memories behind me  
Cold, Harsh, Air  
Is sinking through my bones, out, here  
And i know i can live my life, in fear  
For i know why i aint going back, aint going back, to the way it was  
Leaving all these memories  
behind me
