

Girls On Trampolines

Ludo

Eins Zwei Drei Vier!

They page Party Guy, he pages them back with the number where he's at, they let the phone ring
'Til Party Guy picks it up and says, "Behind Burger King" Should they make another run? Their
fake says they're 21, they're not sure they got enough, should they
go buy more stuff?

He says, "Forget about the stuff, they've got more than enough, they thought of everything," he
says, "They've got more beer than he's ever seen

And they've got girls on trampolines

They tapped ten kegs since 9: 15

And they've got girls on trampolines" Quoth the Party Guy, he doesn't ever lie, it sounds like
their scene, but they don't have a ride

So they call Ride Guy who comes by and with a sigh he lets them in his ride (Okay!)

And Drunk Guy tells Ride Guy to shut up and just drive when he asks about the stuff and about
the thing

But Nice Guy kicks Drunk Guy and tells Ride Guy that Party Guy said it's party-time behind
Burger King,

he says,

"They've got more beer than he's ever seen

And they've got girls on trampolines

They tapped ten kegs since 9: 15

And they've got girls on trampolines" Woo!

[drunken screaming]

Is that a cop?

Dude, watch out for that tree, man!

Aw, man, I don't feel good.

Never goin to college'Cause Nice Guy's talk of trampolines makes Drunk Guy turn green and
he pukes on Jon Fee and Ride Guy's ride

hits a tree

Which causes Weed Guy to drop his seeds at the feet of Officer One, Officer Two and Officer
Three

And Officer One says, "Looky here, son, I hate speeding MIP's who have seeds and hit trees,"

One and two wanted to beat 'em and kill 'em and eat 'em, but they deferred to Officer Three
who said,

"I hear there's a shindig behind Burger King

And I hear there's girls on trampolines

The tree looks fine and the driver's clean

Just give them girls on trampolines" God bless the wisdom of Officer Three!

Just give them girls on trampolines!
