

# The Less I Know the Better

## Tame Impala

Someone said they left together  
I ran out the door to get her  
She was holding hands with Trevor  
Not the greatest feeling ever  
Said, "Pull yourself together  
You should try your luck with Heather"  
Then I heard they slept together  
Oh, the less I know the better  
The less I know the better  
Oh my love, can't you see yourself by my side?  
No surprise when you're on his shoulder like every night  
Oh my love, can't you see that you're on my mind  
Don't suppose we could convince your lover to change his mind  
So goodbyeShe said, "It's not now or never  
Wait ten years, we'll be together"  
I said, "Better late than never  
Just don't make me wait forever"  
Don't make me wait forever  
Don't make me wait foreverOh my love, can't you see yourself by my side?  
I don't suppose you could convince your lover to change his mind  
I was doing fine without ya  
'Til I saw your face, now I can't erase  
Giving in to all his bullshit  
Is this what you want, is this who you are?  
I was doing fine without ya  
'Til I saw your eyes turn away from mine  
Oh, sweet darling, where he wants you  
Said, "Come on Superman, say your stupid line"  
Said, "Come on Superman, say your stupid line"  
Said, "Come on Superman, say your stupid line"
