

# Amazed

## Lonestar

Every time our eyes meet  
This feeling inside me  
Is almost more than I can take  
Baby when you touch me  
I can feel how much you love me  
And it just blows me away I've never been this close to anyone or anything  
I can hear your thoughts  
I can see your dreams I don't know how you do what you do I'm so in love with you  
It just keeps getting better  
I wanna spend the rest of my life With you by my side  
Forever and ever  
Every little thing that you do  
Baby I'm amazed by you The smell of your skin  
The taste of your kiss  
The way you whisper in the dark Your hair all around me  
Baby you surround me  
You touch every place in my heart  
Oh it feels like the first time every time  
I wanna spend the whole night in your arms I don't know how you do what you do  
I'm so in love with you It just keeps getting better  
I wanna spend the rest of my life With you by my side  
Forever and ever  
Every little thing that you do  
Baby I'm amazed by you  
Every little thing that you do  
I'm so in love with you  
It just keeps getting better  
I wanna spend the rest of my life  
With you by my side  
Forever and ever  
Every little thing that you do  
Oh, yeah every little thing that you do  
Baby I'm amazed by you
