I'll Be Missing You

Puff Daddy & Faith Evans

Yeah, this right here goes out to everyone that has lost someone that they truly loved Check it out...Seems like yesterday we used to rock the show I laced the track, you locked the flow So far from hangin' on the block for dough Notorious they came to know that Life ain't always what it seem to be Words can't express what you mean to me Even though you're gone we still a team Through your family I'll fulfill your dream In the future can't wait to see if you Open up the gates for me Reminisce sometimes, the night they took my friend Try to black it out, but it plays again When it's real feelings hard to conceal Can't imagine all the pain I feel Give anything to hear half your breath I know you're still livin' your life after deathEvery step I take Every move I make Every single day Every time I pray I'll be missing you Thinking of the day When you went away What a life to takeWhat a bond to break I'll be missing you It's kinda hard with you not around Know you in heaven smilin' down Watching us while we pray for you Everyday we pray for you Till the day we meet again In my heart is where I keep you friend Memories give me the strength I need to proceed Strength I need to believe My thoughts, Big, I just can't define Wish I could turn back the hands of time Us in the six, shop for new clothes and kicks You and me takin' flicks Makin' hits, stages they receive you onStill can't believe you're gone Give anything to hear half your breath I know you're still livin' your life after deathEvery step I take Every move I make

Every single day Every time I pray I'll be missing you Thinking of the dayWhen you went away What a life to take What a bond to break I'll be missing youSomebody tell me why... On that morning When this life is overI know, I'll see your faceEvery night I pray (we miss you) Every step I take (we miss you) Every move I make (we miss you) Every single day (we miss you) Every step I take (we miss you) Every move I make (we miss you) Every single day (we miss you) Every time I pray (we miss you) I'll be missing you (we miss you) Thinking of the day (we miss you) When you went away (we miss you) What a life to take (we miss you) What a bond to break (we miss you) I'll be missing you (we miss you) Song Discussions is protected by U.S. Patent 9401941.
