

Walking With Spring

The Okee Dokee Brothers

Inch by inch by
Foot by foot by
Step by step by mile
We're takin' it inch by inch by
Foot by foot
Till we find ourselves
In the wild
We're startin' down south and headin' up north
Following the path of spring
And with every step the leaves turn green
And the whippoorwills start to sing (and they're singin'...)
The days get longer and the flowers will open
When they hear that banjo ring
So let's melt the snow and bring out the sun
While we take our walk with Spring (Take a walk now...)
We might as well stop and smell all the roses
Winter's in the past
And there's no need to rush, no there's no need to fuss
'Cuz we ain't goin' nowhere fast
We'll take it mile by mile by
Hour by hour by,
Day by day as we climb
And then it's week by week by
Month by month by,
Year by year
For a lifetime
