

# Keep the Dog Quiet

Owen Pallett

My body is a cage  
This union is a cage  
About a cage, about a cage  
And this, and this town too  
I'll see you once in a while but I can't be seen with you  
This place is a narrative mess  
A floor of tangle of bedsheets and battered sundress  
The ink has dried in the well  
The journey once was consequential  
You're sequential  
Sequential

When will you silence your hounds?  
The eldest sons to the alter of the Eternal Sound  
Their blood is spilled at the dawn  
A nation bound to your will  
Still a violin plays on  
Plays its devotional song  
Once it was, once it was so essential  
You're sequential
