

Unwell

Matchbox Twenty

All day starin' at the ceilin' makin' friends with shadows on my wall
All night hearing voices tellin' me that I should get some sleep
Because tomorrow might be good for somethin'
Hold on, feelin' like I'm headed for a breakdown
And I don't know why But I'm not crazy, I'm just a little unwell
I know, right now you can't tell
But stay a while and maybe then you'll see
A different side of me I'm not crazy, I'm just a little impaired
I know, right now you don't care
But soon enough you're gonna think of me
And how I used to be, me
I'm talkin' to myself in public, dodging glances on the train
And I know, I know they've all been talkin' about me
I can hear them whisper, and it makes me think
There must be somethin' wrong with me
Out of all the hours thinkin', somehow I've lost my mind But I'm not crazy, I'm just a little
unwell
I know, right now you can't tell
But stay a while and maybe then you'll see
A different side of me I'm not crazy, I'm just a little impaired
I know, right now you don't care
But soon enough you're gonna think of me
And how I used to be I've been talkin' in my sleep
Pretty soon they'll come to get me
Yeah, they're takin' me away
I'm not crazy, I'm just a little unwell
I know, right now you can't tell
But stay a while and maybe then you'll see
A different side of me I'm not crazy, I'm just a little impaired
I know, right now you don't care
But soon enough you're gonna think of me
And how I used to be yeah, how I used to be
How I used to be
How I used to be
Well, I'm just a little unwell
How I used to be
how I used to be
I'm just a little unwell...
