

# Days Go By

## Dirty Vegas

You

You You are still a whisper on my lips  
A feeling at my fingertips  
That's pulling at my skin You leave me when I'm at my worst  
A feeling as if I've been cursed  
Bitter cold within Days go by and still I think of you  
Days when I couldn't live my life without you  
Days go by and still I think of you  
Days when I couldn't live my life without you  
Without you  
Without you

You are still a whisper on my lips  
A feeling at my fingertips  
That's pulling at my skin You leave me when I'm at my worst  
A feeling as if I've been cursed  
Bitter cold within Days go by and still I think of you  
Days when I couldn't live my life without you  
Without you  
Without you

Days go by and still I think of you  
Days when I couldn't live my life without you  
Days go by and still I think of you  
Days when I couldn't live my life without you  
Without you  
Without you  
Without you  
Without you  
Without you
