

# New Scene (feat. Ofelia)

Felix Cartal

Dont believe...  
Everything's not what it seems  
I can't believe...  
There were more steps to this dream.All I wanted was something more  
Than what everyone was reaching for  
I can't believe...  
Because I want to dream.I'll be the best escape of the in between  
I'll be the...  
first step to a brand new scene  
All I wanted was more...
