

# On the Backs of Angels

## Dream Theater

Standing on the backs of angels  
Destined to create  
Mounting the attack  
While heroes carry your weight We spiral towards disaster  
Survival fading faster Riding out the wave  
Content to feed off the machine  
Bleeding us to death  
The new American dream  
You're blinded by your hunger Beware, your days are numbered  
Tears fall from the shameless  
Shelter me  
Guide me to the edge of the water  
Selfless are the righteous Burden me  
Lead me like a lamb to the slaughter  
Blurring lines drawn in between What is right and what is wrong  
Victims on the radar  
String us along  
We're on to your agenda  
The dead end road to no where  
Tears fall from the shameless  
Shelter me, guide me to the edge of the water  
Selfless are the righteous  
Burden me  
Lead me like a lamb to the slaughter  
Tears fall from the shameless  
Shelter me, guide me to the edge of the water  
Selfless are the righteous  
Burden me  
Lead me like a lamb to the slaughter  
Selfless are the righteous  
Burden me  
Lead me like a lamb to the slaughter
