## If You Don't Know Me By Now

## **Simply Red**

If You Don't Know Me By Now You will never never know meAll the things That we've been through You should understand me Like I understand you Now girl I know the difference Between right and wrong I ain't gonna do nothing To break up our happy home Don't get so excited When I come home A little late at night Cos we only act like children When we argue fuss and fightIf you don't know me by now You will never never know meWe've all got our Own funny moods I've got mine Woman you've got yours too Just trust in me like I trust in you As long as we've been together It should be so easy to do Just get yourself together Or we might as well say goodbye What good is a love affair When you can't see eye to eye If you don't know me by now You will never Never never know me Song Discussions is protected by U.S. Patent 9401941.
