

Cut Your Hair

Pavement

Darlin' don't you go and cut your hair
Do you think it's gonna make him change?
"I'm just a boy with a new haircut"
And that's a pretty nice haircut
Charge it like a puzzle
Hit men wearing muzzles
Hesitate you die
Look around, around
The second drummer drowned
His telephone is found
Music scene is crazy
Bands start up each and every day
I saw another one just the other day
A special new band
I remember lying
I don't remember a line
I don't remember a word
But I don't care, I care, I really don't care
Did you see the drummer's hair?
Advertising looks and chops a must
No big hair!
Songs mean a lot when songs are bought
And so are you
Face right down to the practice room
tension and fame's our career
career, career, career
