Cut Your Hair

Pavement

Darlin' don't you go and cut your hair Do you think it's gonna make him change? "I'm just a boy with a new haircut" And that's a pretty nice haircut Charge it like a puzzle Hit men wearing muzzles Hesitate you die Look around, around The second drummer drowned His telephone is found Music scene is crazy Bands start up each and every day I saw another one just the other day A special new band I remember lying I don't remember a line I don't remember a word But I don't care, I care, I really don't care Did you see the drummer's hair? Advertising looks and chops a must No big hair! Songs mean a lot when songs are bought And so are you Face right down to the practice room tension and fame's our career career, career
