

# Helmet In the Bush

## Korn

'ello, esta Caco?  
et eres Caco?  
Pues, you know, you fuckin' call me the Caco, okay? I keep asking, what's your lie?  
It is disturbing  
This isn't mine. Days keep passing  
One notch at a time. I don't feel right  
Please God let me sleep tonight. Everyday confronted circumvents giving in.  
I just wanna know why. Want to give it up  
No, I can't escape. [x4]  
I keep asking  
Can we please try?  
It is haunting  
This takes my mind. Days keep passing  
Line after line. I don't feel right  
Please God don't let me die tonight,  
Die tonight, die tonight, die tonight. Everyday confronted circumvents giving in.  
I just wanna know why. Want to give it up  
No, I can't escape. [x4] Please God.  
Please God. Please God help me.  
Please God free me.  
Please God help me from my painful situation.  
Please God help me.  
Please God free me.  
Please God save me from my painful situation. Please God help me.  
Please God free me.  
Please God save me from my painful situation. Please God don't let me slip in tonight, please  
God  
Oh, please God don't let me chip in tonight, please God  
Oh, please God don't let me slip in tonight, don't let me die  
Please God don't let me give in tonight, don't let me die.
