

# Western Stars (KCRW - Live from Malibu PAC)

[k.d. lang](#)

Western stars light up the sky  
Hear the desert wind roll by  
Tonight, tonight Western stars can break your heart  
They keep shinin' when we're apart  
Tonight, tonight I watch, I wait  
How long will my heart ache  
Tonight, oh tonight  
I watch, I wait  
My heart is bound to break  
Tonight  
Western stars light up the sky  
Tonight I'm alone to cry  
Tonight  
I watch, I wait  
My heart is bound to break  
Tonight(repeat\*) Tonight, tonight
