

Hard Stuff (Ernest St. Laurent Remix)

The Supermen Lovers

Yeah baby! Now you know, that's hard stuff
Going down, in a heavy way, that you never way.
Come on, come on Hard stuff walking in a hard steap
hey you're losing hard dance dance on a steap. (X2) Could not began to go crazy
The place in my life that you rising
People in town seem so lase
They all thinking I'm losing my mind
Ghosts spirits at my window
They all think I'm wasting my time
Jerkys and freaks are on the streets
And jackass are going home
Can't you take I for a ride? (back back guy)
Combination soon's all right (back back guy)
Put the bags in your mind (back back guy)
Destination I decide (back back guy)
stay of the world where i came from
Freak in my mind get I die
Even my dad don't neet fight
I tried to work hot to be right
Neighbors and friends ferreting my all
Watching i losing my mind
Brothers and sisters devolve my world
As to calm down as go home
Can't you take I for a ride? (back back guy)
Combination soon's all right (back back guy)
Put the bags in your mind (back back guy)
Destination I decide (back back guy) Hard stuff walking in a hard
Hey you're losing hard dance dance on a steap.
