## The Touch (Epic Guitar Remix)

## **Stan Bush**

You got the touch
You got the powerAfter all is said and done
You've never walked, you've never run
You're a winnerYou got the moves, you know the streets
Break the rules, take the heat
You're nobody's foolYou're at your best when the goin' gets rough
You've been put to the test, but it's never enoughYou got the touch

You got the power

When all hell's breakin' loose

You'll be riding the eye of the stormYou got the heart You got the motionYou know that when things get too tough You got the touchYou never bend, you never break

> You seem to know just what it takes You're a fighterIt's in the blood, it's in the will

> > It's in the mighty hands of steel

When you're standin' your groundAnd you never get hit when your back's to the wall Gonna fight to the end and you're takin' it allYou got the touch

You got the power
When all hell's breakin' loose
You'll be riding the eye of the storm

You got the heart

You got the motion

You know that when things get too tough

You got the touch

You're fightin' fire with fire

You know you got the touch

You're at your best when the road gets rough

You've been put to the test, but it's never enough

You got the touch

You got the power

You got the touch

You got the power
