Fifteen

Taylor Swift

You take a deep breath and you walk through the doors It's the morning of your very first day You say "Hi" to your friends you ain't seen in a while Try and stay out of everybody's way It's your freshman year and you're gonna be here For the next four years in this town

Hoping one of those senior boys will wink at you and say,

"You know I haven't seen you around before." 'Cause when you're fifteen and somebody tells

you they love you

You're gonna believe them

And when you're fifteen

Feeling like there's nothing to figure out

Well count to ten, take it in

This is life before you know who you're gonna be

Fifteen

You sit in class next to a redhead named Abigail And soon enough you're best friends

Laughing at the other girls who think they're so cool

We'll be out of here as soon as we can

And then you're on your very first date and he's got a car

And you're feeling like flying

And you're momma's waiting up and you think he's the one

And you're dancing 'round your room when the night ends

When the night ends'Cause when you're fifteen and somebody tells you they love you

You're gonna believe them

When you're fifteen and your first kiss

Makes your head spin round but

In your life you'll do things greater than dating the boy of the football team

But I didn't know it at fifteen

When all you wanted was to be wanted

Wish you could go back and tell yourself what you know now

Back then I swore I was gonna marry him someday

But I realized some bigger dreams of mineAnd Abigail gave everything she had to a boy Who changed his mind and we both cried'Cause when you're fifteen and somebody tells you

they love you

You're gonna believe them

And when you're fifteen, don't forget to look before you fall

I've found that time can heal most anything

And you just might find who you're supposed to be

I didn't know who I was supposed to be at fifteenLa la la la la la la

La la la la la la

La la la la la laYour very first day

Take a deep breath, girl Take a deep breath as you walk through the doors. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
