

You're Lookin' At Country

Loretta Lynn

Well, I like my lovin' done country style
And this little girl would walk a country mile
To find her a good ole slow talkin' country boy
I said a country boy. I'm about as old fashioned as I can be
And I hope you're likin' what you see
'Cause if you're lookin' at me
You're lookin' at country. You don't see no city when you look at me
'Cause country's all I am
I love runnin' barefooted through the old cornfields
And I love that country ham.
Well, you say I'm made just to fit your plans
But there's a barnyard shovel fit your hands
If your eyes are on me
You're lookin' at country. This here country is a little green
And there's a lotta country that you ain't seen
I'll show you around if you'll show me a weddin' band
I said a weddin' band. When it comes to love, well, I know about that
Country folks all know where it's at
If you're lookin' at me
You're lookin' at country.
You don't see no city when you look at me
'Cause country's all I am
I love runnin' barefooted through the old cornfields
And I love that country ham. If your eyes are on me
You're lookin' at country...
