

Tempus Verum

Enya

Ergo, oceanus, maritimus
Ergo, opacare, matutinus
Ergo, septentrio, meridies
Ergo, occidentis et orientis Ergo, oceanus, maritimus
Opacare, matutinus
Septentrio, meridies
Occidentis et orientis Ergo, terra, stella, hiems et aestas
Ergo, autumnus et, tempus verum
Ergo, radius solis, et umbra
Ignis, aqua, caelum, luna
Terra, stella, hiems et aestas
Autumnus et, tempus verum...
Tempus verum...
