

# Shorty Wanna Ride

## Young Buck

Shorty Wanna Ride With Me, Ride With Me  
We Can Get Low, Hop Into The Chevy 4 Door  
Blow Dro, Wanna Ride With Me, Ride With Me  
Let Ya Hair Down, You Said You Wanna Thug  
Don't Be Scared Now Shorty Wanna Ride With Me, Ride With Me  
We Can Get Low, Hop Into The Chevy 4 Door  
Blow Dro, Wanna Ride With Me, Ride With Me  
Let Ya Hair Down, You Said You Wanna Thug  
Don't Be Scared Now

Shorty Wanna Ride With Me, Ride With Me  
(one)

My 24's Spinnin', The Sticker's Still On 'Em  
The Same Ol' Hoes, But A Nigga Still Want 'Em  
I'm Parkin Lot Pimpin' On Another Nigga Woman  
She Pullin Up Her Skirt, Tryin Show A Nigga Sumthin  
Ya' Car Cloudy, My Niggas All Rowdy  
This Heinesy Got A Nigga Drowsy, I'm Outty  
Now Where Them Hoes At, Look I'm Tryin To Take You Home  
So What'cha Got Ya Girlfriends, Bitch Bring 'Em On  
Hoe I'm Tryin To Break A Bone, When I Get In Them Draw's  
To The Window, To The Muthafuckin Walls  
What A Nigga Don't Know Wont Hurt Him'  
So If Ya' Got A Old Man, Bitch I Ain't Worried  
And I Got Plenty Room If Ya Think You Wanna Roll  
See This Is What They Make Caddillac Trucks For  
Let's Go To A Place You Ain't Never Been, Down In The Country  
I Bet Ya, I Have Ya Sayin' Ya Love Me
