

Planet Queen

T. Rex

The planet queen perchance to dream
She used my head like an exploder
The planet queenThe worlds the same I am to blame
She used my head like a revolver
The world's the sameWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughter
Dragon head machine of lead
Cadillac king dancer in the midnight
Dragon headThe planet queen perchance to dream
She used my head like a revolver
The world's the sameWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterThe dragon head machine of lead
Cadillac king dancer in the midnight
Dragon head
The planet queen perchance to dream
She used my head like a revolver
The planet queenWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterWell it's all right
Love is what she want
Flying saucer take me away
Give me your daughterGive me your daughter
Give me your daughter
Give me your daughter
