

Only You

Yaz

Looking from a window above, it's like a story of love
Can you hear me?

Came back only yesterday, I'm moving farther away
Want you near me All I needed was the love you gave
All I needed for another day

And all I ever knew

Only you Sometimes when I think of her name when it's only a game
And I need you

Listen to the words that you say it's getting harder to stay
When I see you

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you This is gonna take a long time and I wonder what's mine
Can't take no more

Wonder if you'll understand, it's just the touch of your hand
Behind a closed door

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you
