

Hidden By Blue

Anarchy Club

It hasn't quite hit me yet
I know it will
To say when it rains it pours
I'm saving for something I cant afford All I see is me and you
Eyes of green hidden by blue
All I know is all I say
A part of me It's over now
It's over for now
Self inflicted
I'm addicted All I see is me and you
Eyes of green hidden by blue
All I know is all I see
A part of me
All I see is me and you
Eyes of green hidden by blue
All I know is all I see
A part of me Never
Ever
Never
Ever It hasn't quite hit me yet
I know it will
To say when it rains it pours
I'm saving for something I cant afford All I see is me and you
Eyes of green hidden by blue
All I know is all I see
A part of me
All I see is me and you
Eyes of green hidden by blue
All I know is all I see
A part of me All I see is a part of me
All I see is a part of me
All I see is a part of me
All I see is a part of me
