

# I Do It

## Gorilla Zoe

I do it  
I do it  
I do it-I-I-I do it for the city, yeah I do it for the hood  
I do it for the streets, let's just get this understood  
I do it  
I do it  
I do it  
I do it  
Minaj every night dawg, what I need a b\*tch for?  
Iced out automa, what I need a wrist for?  
Four or five cars, what I need another whip for?  
Bricks in the trap, shawty tell me what they headin' for (For what?)  
What they headin' for? (For what?)  
Twenty bricks of blow (For what?)  
Twenty dollar bricks (For what?)  
Twenty dollar show (For what?)  
Twenty thousand more (For what?)  
Twenty at the ball (For what?)  
Imma blow it all (For what?)  
All I do is ball  
What? What? What? What?  
Tell me what you do it for (For what?)  
Blow it at the club  
What you think I do it for? (For what?)  
Blow it in the mall  
What you think I do it for? (For what?)  
Blowin' up some broads  
What you think I do it for?  
I do it for the city, yeah I do it for the hood  
I do it for the streets, let's just get this understood  
I do it (I do, I do)  
I do it (I do, I do)  
I do it (I do, I do)  
I do it (I do, I do, I do)  
I do it for my n\*ggas, gettin' money every day  
And I do it for the haters, they can hate me, its okay  
I do it (I do, I do)  
I do it (I do, I do)  
I do it (I do, I do)  
I do it (I do, I do)  
I do itOverworked, we lockin' up, what we need a jail for?  
And we do it and rep the blocks, what we need a scale for?

And I pay the lawyers off, what I need to tell for? Everything is automatic, what I need a shell  
 for? (For what?)  
 For me to catch a charge (For what?)  
 So you can tell on me (For what?)  
 So they can cut your time (For what?)  
 To play me off the streets (For what?)  
 So they can take my chains (For what?)  
 Try to take my fame (For what?)  
 Etch me from the game (For what?)  
 Play me like a lame  
 What? What? What? What?  
 Tell me what you do it for (For what?)  
 Just 'cause I'm a boss  
 W-What you think I do it for? (For what?)  
 'Cause we ain't foldin', no  
 What you think I do it for? (For what?)  
 'Cause I can't take no loss  
 W-What you think I do it for? I do it for the city, yeah I do it for the hood  
 I-I-I do it for the streets, let's just get this understood  
 I do it (I do, I do)  
 I do it (I do, I do)  
 I do it (I do, I do)

 I do it (I do, I do)
