

Anytime (feat. John P. Kee)

Donnie McClurkin

you were not the one with the answers
you never acted like you always knew
but you opened up your heart to help me
any time i needed you
remembering my youth and as am older
you were there through things I went through.
lending me your smile your loving...any time I needed you
any time
ooh oh oh oh
any time
oh oh oh oh
an time I needed you
you were there any time
oh oh oh oh
any time
oh oh oh oh
any time I needed you
time of worry and times of silence
a pray and a song that got me through
yes you are the one I can rely on
any time I need you
time of good and times of troubleoho oo
somehow it seems you always knew
you were always right there on a double
on a double
any time I needed you
any time
ooh oh oh oh
any time
oh oh oh oh
an time I needed you
you were there any time
oh oh oh oh
any time
oh oh oh oh
any time I needed you
you won't abandon me.
you were hurt on this cause.yeah
but you stayed and loved me
stayed and loved me.
In the time I was crying
you loved

thought i was dying
you loved
but you never pulled your hand away
any time
any time
I needed you you were there any time
any time
any time I needed
any time I needed you
any time
any time
any time I needed you
you were any time
Any time
Any time I needed you
any time
any time I needed you
you were there any time
Any time
Any time I needed you ANY TIME
any time I
any time I needed you
you were there any time
oh my yes
any time my friend
any time I needed you
oh ho yes.....
