

Shake Em Off

Syd

Hello?
What's good...
Nah I'm fine...
Yeah...I'm
Drowning in doubt and frustration
Can't sleep cause I'm anxious
Counting sheep and all
(Nah I just woke up)
I'm
Sipping some liquor go figure
Getting lit with my niggas
Cause we done seen it all
(Haha)
Don't worry bout what I'm doing
What's it to you
If I live dazed and confused
This isn't for your amusement
This ain't no pay per view
It's just the life that I choose
Shake em off
Shake em off
Shake em off
There's nothing you can tell me, I'm grown
Shake em off
Shake em off
Shake em off
I'd rather you say nothing at all
Back and forth now I'm pacing
Young star in the making
Swear they sleeping on me
(Idk, i just think...)
They pump me up to deflate me
I'm so close I can taste it
Boy you don't even know
(Man.... Nah...)
Don't worry 'bout how I'm living
It's none of your business
Who I'm with or where I stay
I
Told em but they wouldn't listen
Now they praying and wishing
To be me for the day
So I say

Shake em off
Shake em off
Shake em off

There's nothing you can tell me, I'm grown

Shake em off
Shake em off
Shake em off

I'd rather you say nothing at allGone
