## Swing (feat. Soulja Boy Tell 'Em)

## Savage

Oh shit, shake that ass ma, move it like a gypsy Stop, whoa, back it up, now let me see your hips swing Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swingNow drop it low and let me see your hips swing

Down to the floor now let me see your hips swing

Now drop it low and let me see your hips swing

Down to the floor now let me see your hips swingUh oh, lean back, girl you got some mean

You got a mean ass and I really mean that But can't you see that I need a girl that can move

Make her hips swing and look just like youBut come to think about it, I think this club is crowded

It's kinda hard to do your thing when everyone's surrounding

So let me form a circle, everybody step back

I heard somebody yell, "Savage, where the at?"

Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swing

Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swingNow drop it low and let me see your hips swing

Down to the floor now let me see your hips swing

Now drop it low and let me see your hips swing

Down to the floor now let me see your hips swingUh oh, let it pop, ladies drop it like it's hot Hell yeah, that's the spot, now bring it back to the top

Stop! Whoa, now back it up, now back it up

Let it rise then watch it dump, shaking your junk in the trunkAnd I like the way you move it smoothly

Now why don't you move that booty to me?

I'm trying to come up with some thoughts of attack

Until I heard somebody yelling out, "Savage, where the at?"

Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swing

Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swingNow drop it low and let me see your hips swing

Down to the floor now let me see your hips swing

Now drop it low and let me see your hips swing

Down to the floor now let me see your hips swingKnees bent, ass out, come on push your ass

out

(Let me see your hips swing)

Bring it up then back down, bring it up then back down

(Let me see your hips swing)

All my ladies on the floor, all my ladies on the floor

(Let me see your hips swing)

Pick it up then dip it low, pick it up then dip it low

(Let me see your hips swing) Knees bent, ass out, come on push your ass out

(Let me see your hips swing)

Bring it up then back down, bring it up then back down

(Let me see your hips swing)

All my ladies on the floor, all my ladies on the floor

(Let me see your hips swing)

Pick it up then dip it low, pick it up then dip it low

(Let me see your hips swing)Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swing

Oh shit, shake that ass ma, move it like a gypsy

Stop, whoa, back it up, now let me see your hips swingNow drop it low and let me see your hips swing

Down to the floor now let me see your hips swing

Now drop it low and let me see your hips swing

Down to the floor now let me see your hips swing
