

# Suzy Lee

## The White Stripes

There's a story  
I would like to tell  
My problem is  
It's one you know too well  
It's one you know too well Miss Suzy Lee  
The one I'm speakin' of  
The question is:  
Is she the one I love?  
Is she the one I love? (All right)  
Is she the one I love?  
Is she the one I love? She'll send me flowers  
With her tears burned inside  
And you know what I'd do  
I would run and hide  
I would run and hide And the paper  
On it was my name  
With the question:  
"Do you feel the same?"  
Do you feel the same?  
To end this tale  
The one I'm speakin' of  
I wish I had an answer, but I just don't know  
Is this really love?  
Is this really love? (Yeah) Is this really love?  
Is this really love?
