

# Scott Mescudi vs. The World (feat. Cee-Lo)

## Kid Cudi & Cee-Lo

What up? How is everyone doing?  
You are now in the World I am ruling  
Take a minute to adjust for the wonderous  
Clusterfuck of fun and enchantment  
I promise you some Generation Next shit  
Speak for the seller who I left with  
Parallel levels in a dark, dark place  
Tripped all you niggas to a dark, dark fate  
The guy that you are with a smile up on my face  
As the sun kisses us on the foreheads gently  
Gentle with the drugs, heavy with the love  
I'ma spit this on stage, watch models fill my club.  
Money doesn't move me except on the literal.  
G4 flights, now we're off to Australia  
I wanna see more of the World,  
these are more than just words, these are facts from a winner  
This is a journey, into the horizon  
hope you can see that, if its real to you  
we can meet on the other side,  
on the other side  
ayee  
this is a journey, into the horizon  
hope you can see that, if its real to you  
then we can meet on the other side,  
on the other side  
What up? How is everyone feeling?  
I hope you understand what you're hearing  
Take a minute to roll up for the wonderous  
Clusterfuck of darkness and evil  
I will play the Yin and the Yang for ya  
And my jeans will be off with the little skinnies  
Upgraded, fitted into the T  
Work hard, making sure I don't become a memory  
Hard to press on when the memories remember me  
And they always find the perfect moment  
High speed. I'm a minimal slum.  
Lost in the wind, I've lost all my friends  
Maybe they were never meant to be acquainted  
Money seems to make everything tainted  
Everybody mad cause they stuck.  
One less.  
Took what I wanted and I did it all blunted.  
Oh oh

This is a journey, into the horizon  
hope you can see that.  
If its real to you,  
we can meet on the other side.  
On the other side.

ayee

this is a journey, into the horizon  
hope you can see that, if its real to you  
then we can meet on the other side,  
on the other side  
This is a journey, into the horizon  
hope you can see that.

If its real to you  
we can meet on the other side.  
On the other side.

This is a journey, into the horizon  
hope you can see that.

If its real to you  
Then we can meet on the other side.  
On the other side.
