

# Selfish

## TWENTY88

You know I ain't having that shit  
(Got you Bitch)  
How could you be so selfish  
Phone off, careless  
You ain't drinking no more that's bullshit  
I heard your taking more shots than a full clip  
No call, no text, huh?  
That's how you feel when you stressed, huh?  
You know I'm from a tribe called questions  
I need them answers now like it's test time  
Do you realize how many good girls I lost  
When I changed the number for you  
When I needed that peaceful sleep and still cuddled for you  
You ain't even know when times get hard I bent up the budget  
I kept it subtle  
Might as well put jackets over the puddles for you  
You're acting irreplaceable, pfft, bitch, hardly  
I feel like I chose the wrong bitch like Steve Harvey  
When you back to me the morning time  
You got me on the borderline  
I used to want to put the work in now I feel like overtime  
When I hit you late night, texting  
Phone off, no stressing  
How could you be so selfish  
Selfish, so selfish  
Phone off, no texting  
No pics, no calls, no sexting  
How could you be so selfish  
Selfish, so selfish  
I can't help it  
I can't help it  
I can't help it  
I can't help it  
So, so selfish  
Why would you just play with the one who been there with you when no one would come  
Can't believe I stayed faithful to somebody so ungrateful  
Don't you know there's a line for my love  
And you be out here lying on us  
Ain't that some shit  
Ain't that a bitch  
And you wonder why the past has changed us  
Wonder why it ain't the same for us

You keep fuckin it up it's all on you  
You just made it so hard for you  
Late night, texting  
Phone off, no stressing  
How could you be so selfish  
Selfish, selfish  
Phone off, texting  
No pics, no calls, no sexting  
How could you be so selfish  
Selfish, so selfish  
I can't help it  
I can't help it  
I can't help it  
I can't help it  
So, so selfish  
Breakdown  
I think it's time to breakdown  
Late night, texting  
Phone off, stressing  
Testing me now, stressing me out  
Out, out  
How could you be so
