

No Stopping Us

Jason Mraz

Would it take a bakers dozen to get my point to you?
Would it take a half a pound to roll a joint for you?
Would it take some hailing Mary's so full of grace to get my sound to you?
Will you help me break it down and get on through? Now to the other side
Its easy if you only try, try, try, try
Well don't lie down on the job, oh yeah
Because once we hit the top there's no stopping us, no
Ain't no stopping us
Should I address all my letters to the well to be?
Should I say return to sender is just a well be done?
Should I better not take it so personally if all the good loving is never received?
Baby if it was me well I wouldn't think twice No not I, I, I, I, I, I
Its easy if you only try, try, try, try
Well don't lie down on the job or worse
Because once we hit the top there's no stopping us, No
There's no stopping us
There's no stopping us, no
No stopping us Ooh, I will drive a thousand miles or I'll meet you at the station
If only you would take a vacation from this thing you have created
I promise to make it worth your while
(You know, you know that I'll try)
So c'mon try try. Baby baby won't you try
It's easy if you do not run
Well I promise you you'll have your fun fun
Because once we hit the top we've just begun
Ooooooh, there's no stopping us
There's no stopping us yeah
There's no stopping us.
