

# Mistaken (Sam Feldt Remix)

Milow

Oh, oh, oh  
Oh, oh, oh In this age of eternal night  
The blinded ... to the light  
And as we stumble in the dark  
Creatures climbing for the ark  
It's gonna be a crazy ride  
Not everyone got out of line. Don't you wanna know  
If you gonna make it?  
Will you be left behind?  
Will you be forsaken?  
Maybe you don't care  
Maybe I'm mistaken!  
Oh, oh, oh!  
We watch it all from the highest hill  
That bloody beast before the kill.  
The money changers, the chiefs of staff  
Melted down the golden cap.  
And now they say, they spend it all  
And I want you, me they call!  
Last night my mind was on my side  
Today the river is too wide. Don't you wanna know  
If you gonna make it?  
Will you be left behind?  
Will you be forsaken?  
Maybe you don't care  
Maybe I'm mistaken!  
Oh, oh, oh!  
Sometimes I help to hope it all,  
Sometimes I see over the all,  
There's a sun rising again  
I see the storm that's blowing in. Don't you wanna know  
If you gonna make it?  
Will you be left behind?  
Will you be forsaken?  
Maybe you don't care  
Maybe I'm mistaken!  
Oh, oh, oh!  
Ta ta ta ta ta  
Uh, uh, uh  
Maybe I'm mistaken  
Maybe I'm mistaken  
Maybe I'm mistaken

Maybe I'm mistaken
