

Land of Confusion

Genesis

I must've dreamed a thousand dreams
Been haunted by a million screams
But I can hear the marching feet
They're moving into the street. Now did you read the news today
They say the danger's gone away
But I can see the fire's still alight
Burning into the night. There's too many men
Too many people
Making too many problems
And not much love to go round
Can't you see
This is a land of confusion.
Ooh this is the world we live in
(Oh-oh-oh)
And these are the hands we're given
(Oh-oh-oh)
Use them and let's start trying
(Oh-oh-oh)
To make it a place worth living in. Ooh Superman where are you now
When everything's gone wrong somehow
The men of steel, men of power
Are losing control by the hour. This is the time
This is the place
So we look for the future
But there's not much love to go round
Tell me why, this is a land of confusion.
This is the world we live in
(Oh-oh-oh)
And these are the hands we're given
(Oh-oh-oh)
Use them and let's start trying
(Oh-oh-oh)
To make it a place worth living in. I remember long ago
Ooh when the sun was shining
Yes and the stars were bright
All through the night
And the sound of your laughter
As I held you tight
So long ago I won't be coming home tonight
My generation will put it right
We're not just making promises
That we know, we'll never keep. Too many men

There's too many people
Making too many problems
And not much love to go round
Can't you see
This is a land of confusion. Now this is the world we live in
(Oh-oh-oh)
And these are the hands we're given
(Oh-oh-oh)
Use them and let's start trying
(Oh-oh-oh)
To make it a place worth fighting for. This is the world we live in
(Oh-oh-oh)
And these are the names we're given
(Oh-oh-oh)
Stand up and let's start showing
(Oh-oh-oh)
Just where our lives are going to.
