## **Harvest Moon**

## **Cassandra Wilson**

Come a little bit closer Hear what I have to say Just like children sleepin We could dream this night away.But theres a full moon risin Lets go dancin in the light We know where the musics playin Lets go out and feel the night.Because Im still in love with you I want to see you dance again Because Im still in love with you On this harvest moon. When we were strangers I watched you from afar When we were lovers I loved you with all my heart.But now its gettin late And the moon is climbin high I want to celebrate See it shinin in your eye. Because Im still in love with you I want to see you dance again Because Im still in love with you On this harvest moon.
