

# Miss Misery (Early Version)

[Elliott Smith](#)

I'll fake it through the day  
With some help  
From Johnny Walker red  
Send the poisoned rain down the drain  
To put bad thoughts in my head Two tickets torn in half  
And a lot of nothing to do  
Do you miss me--Miss Misery--  
Like you say you do?  
A man in the park  
Read the lines in my hand  
Told me I'm strong, hardly ever wrong  
I said man you mean You had plans for both of us  
That involved a trip out of town  
To a place I've seen in a magazine  
That you left lying around  
I don't have you with me but  
I keep a good attitude  
Do you miss me--Miss Misery--  
Like you say you do? I know you'd rather see me gone  
Than to see me the way that I am  
But I am in your life, anyway  
Next door TV's flashing blue  
Frames on the wall  
It's a comedy of errors, you see  
It's about taking a fall  
To vanish into oblivion  
It's easy to do  
And I try to be  
But you know me I come back when you want me to  
Do you miss me--Miss Misery--  
Like you say you do?
