With You I'm Born Again (feat. Syreeta Wright)

Billy Preston

Come bring me your softness
Comfort me through all this madness
Woman, don't you know, with you I'm born againCome give me your sweetness
Now there's you, there is no weakness
Lying safe within your arms, I'm born againI was half, not whole
In step with none

Reaching through this world
In need of one

Come show me your kindness In your arms I know I'll find this

Woman, don't you know, with you I'm born again Lying safe with you I'm born againCome bring me your softness

Comfort me through all this madness

Woman, don't you know, with you I'm born againCome give me your sweetness Now there's you, there is no weakness

Lying safe within your arms, I'm born again

Woman, don't you know, with you I'm born againI was half, not whole

In step with none

Reaching through this world

In need of one

Come show me your kindness

In your arms I know I'll find this

Woman, don't you know, with you I'm born again Lying safe with you I'm born againBilly Preston & Syreeta
