

Taciturn

Stone Sour

I'd cross the sea to you
I've left myself deserted here again
I'd cross the sea to you
My pieces are too broken now to mend
In the middle
Under a cold black sky
The sun will only burn for you and I
In the moment.
Before I lose my mind
These hours don't mean anything
this time. Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
I'd cross the world for you
My reasons have no reason to remain
I'd cross the world for you
I don't know what i'm doing wrong
but i can't stay the same
In the middle
Under a clear blue sky
The sun can only burn for you and I
In the moment
Before I lose my mind
These hours don't mean anything
this time.
Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
Give me a sign
Show me the light
Maybe tonight
I'll tell you everything
(everything) Everything
Oh...
