

Girls Fall Like Dominoes

[Nicki Minaj](#)

These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
Dominoes, d-d-dominoes
Hey I'm gon' need sixty
nine real bad girls for my tour bus
Somebody get security to escort us
They go the long way but we take the short cut
Give me the blond hair, long weave, short cut
You know the flow sick, came in on the small bus
So give the d-cup, c-cup, small bust
They judge me like the girl's on trial
But every time that I come out it's just girls gone wild
Got the domino effect in the front row passing out
With little bikini tops they got they X's hanging out
Say my shoe game nuts, so I call em cashews
Every other city there's another nicki tatto
Steal Wayne girls, I steal Drake girls
You know the real bitches let me fuck the fake girls
So if you pretty I sign titties
I got the key to every motherfucking city
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
Dominoes, d-d-dominoes
So when I'm in the hills I
hang with Kristin Cavallari
And when I'm in Miami I'm with Courtney, Kim and Chloe
And when I'm in the A I'm with Ciara or it's Keri
I'm feeling like a diva then I hit Mariah Carey
I'm in the UK, I'ma see MIA
Superhero by night, ra, ra rapper by day
And if I just wanna talk I'ma hit up Monique
If I need a bad bitch, Angelina Jolie
Material Girls like Madonna, model for Donatella
Ain't nothing you can tell her 'cause she get the mozzarella
She look just like Rihanna
She work with Wihelmina only rocking Galliano
She might be Filipino, be sipping Pellegrino
Be watching Al Pacino, she could probably sniff a kilo
Anyway yo, hit up Grace Jones and tell her I said Strange
I'm out in Paris motherfucker with Beyonce
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
Dominoes, d-d-dominoes
Girls, girls everyday
from London, Canada, and the USA
Girls, girls everyday from London, Canada, and the USA
Girls, girls everyday from London, Canada, and the USA
Girls, girls everyday from London, Canada, and the USA

Where my west side girls at?
And where my east side girls at?
Yo, where my north side girls at?
And where my down south girls at?
Yo, where my west side girls at?
Yo, where my east side girls at?
Yo, where my up north side girls at?
Now where my down south girls at?
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
These girls fall like dominoes, dominoes
These girls fall like dominoes, d-d-dominoes
Dominoes, d-d-dominoes
