

# Love's Divine (Acoustic Version) [Bonus Track]

Seal

There the rainstorm came over me  
And I felt my spirit break  
I had lost all of my belief you see  
And realized my mistake  
But time threw a prayer to me  
And all around me became still  
I need love, love's divine  
Please forgive me now  
I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
I need love, love's divine  
Please forgive me now  
I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
Through the rainstorm came sanctuary  
And I felt my spirit fly  
I had found all my reality  
I realize what it takes  
'Cause I need love, love's divine  
Please forgive me now  
I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
'Cause I need love, love's divine  
Please forgive me now  
I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
Then the rainstorm came over me  
And I felt my spirit fly  
I had found all my reality  
I realize what it takes  
Love  
'Cause I need love, love's divine  
Please forgive me now  
I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
'Cause I need love, love's divine  
Please forgive me now

I see that I've been blind  
Give me love, love is what I need  
To help me know my name  
'Cause love will help me know my name
