[Fiend]

I run with convicted felons

Scream, yellin'

Stick in my chrome reciever, and I fins to get it on

Influenced by the dolja

Blastin' at the rollers

Callin' couple of soldiers

Fuckin' up with this song bitch

Your mom shoulda told ya

I ain't nothin' nice

Snoop brought the boss

I got the spark, lets go on a body high

Put it on my life, and my favorite weed pipe

Soldiers greed, with ice

Watch me budda up in the night

Carefull to forever, the one that? shot him

Bringin' the drama like a punk, but your fucking somebody

Whut Lodi Dodi, send a duce up in dey coupe

But after a hard eight

Snoop and his soldiers gonna make ya say

Chorus:

Nigga, all I really wanna do is Get down, on the get down! That mothafucker better sit down We up in this bitch now Got the take to make the hap

We gon' make our money right Tired of livin' the stress life

Pressure, fuck price

Yikes!

Know what I like

Keep it hype! Betcha I right

Put pounds of ice on ya, like white on rice

Vise grips on mics

Turnin' to fights

Burnin' up the limelight

Fire!

And you ain't gotta strain your eyes to find us

Throwin' bad days behind us

Ahh damn up in the headlights

Bout to let it shine

Find your ass in there tip-toeing

Your ass is mine

We got you waitin' for us on the radio

So our albums can drop

Snoop, Fiend, me, Beats By The Pound, you know that's gon' pop

Jump in the game in the walkway

With enough money to fuck with

Till ya hear that last fuckin' woof
