

# Don't Need Love

## 220 KID & GRACEY

### Verse 1

When I fall in love  
I usually take my time  
Hoping it gets better  
Swipe left, swipe right  
To fill all of these lonely nights  
It's just empty pleasure, yeah

Chorus  
Don't text to come over  
We don't talk when we're sober  
Fairytale I could live without  
The white dress and the altar  
That diamond in your ring  
That's all anyone cares about

Don't text to come over  
We don't talk when we're sober  
Fairytale I could live without  
The white dress and the altar  
That diamond in your ring  
That's all anyone cares about

### Verse 2

When I fall in love  
I usually take my mind  
Hoping it gets better, yeah  
Swipe left, swipe right  
Even people who ain't my type  
It's just empty pleasure, yeah

Chorus  
Don't text to come over  
We don't talk when we're sober  
Fairytale I could live without  
The white dress and the altar  
That diamond in your ring  
That's all anyone cares about

### Bridge

When I fall in love  
I usually change my mind  
Never understanding  
White lies, FaceTime  
Is there someone else on your mind?  
Always end up stranded, yeah  
Playing with her emotions  
Heart broke and we're frozen  
Fairytale I could live without, yeah (Ooh yeah)

White fence and a real job  
We waste away in the suburbs  
That's all anyone cares about (That's all anyone cares about)Chorus  
Don't text to come over  
We don't talk when we're sober  
Fairytale I could live without (Yeah)  
The white dress and the altar  
That diamond in your ring  
That's all anyone cares about (That's all anyone cares about)Post-Chorus  
And I don't need love (Mmm)  
I just needed love (Mmm)  
And i needed love  
I just needed touch (Needed)Outro  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh-oh, yeah  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh-oh, yeah
