

# Armor

Sara Bareilles

[Verse 1]

Let it begin, let Adam in  
Step one: Original Sin  
Underneath the leaves, Adam found Eve  
Both of them found something sweet under the apple tree  
Then it was over, roads divide  
Step two: learning how to lie  
Let me ask a question to present day:  
How the hell did Eve end up with all the damn blame?  
All the damn blame

[Verse 2]

To all the dirty looks, the kitty cat calls  
To the ones who try and throw us up against the back walls  
Let me tell you something you'll understand:  
Only the little boys tell you they're a big man  
To all my sisters and all our friends  
We have to thank them, please  
Strength means blessed with an enemy

[Chorus]

Oh, my, my, my, my, my armor comes from you  
You make me try, try, try, try harder  
Oh, that's all I ever do, ever do  
Oh, no no, my, my, my, my, my armor comes from you  
You make me stronger, stronger  
Now, hand me my armor  
(Hand me my armor, hand me my armor)
